Knit Lace Sampler Scarf

This pattern is a sampler of lace patterns, all of which use only knit; purl; knit 2 together; slip-slip-knit; slip 1, knit 2 together, and pass slipped stitch over knit stitch; and knit front and back into a stitch. Each knit pattern is separated by 4 rows of reverse stockinette and each pattern area has 5 stitches of garter stitch on each side. All lace patterns were taken from laceknittingstitches.com, but charted by me.
