

Our Purpose:

L.A.C.E. is a non-profit organization for all those who are delighted by the multiple facets of lace. Its purpose is to promote interest in the study, history, collection and instruction in the making of all varieties of lace for its

members
and the
general
public.

Our History

Lacemakers and Collectors Exchange (L.A.C.E.) held its first meeting in September 1990, and its first lace day the following month. Annual lace days followed until 1995, when the reorganization of the guild took place:

1. Bylaws were re-written to conform to the rules of International Old Lacers Inc.
2. Roberts Rules of Order was acknowledged as the Parliamentary Authority.
3. A copy of the original charter was issued, confirming L.A.C.E. as a chartered group with continuous history from 1992.

Monthly meetings, lace fairs, vendor days, lace exhibits, member-taught workshops and special-events workshops taught by expert teachers from outside our area characterize the guild's activities. Publications include a quarterly newsletter and a website.

Lace guild members welcome the opportunity to teach...

Beginner bobbin lace classes are held at our lace day in June in odd numbered years. There are also programs during the year where a person who is interested in lace-making can make arrangements to have an impromptu lesson with a guild member.

If you would like to contact our member-

A well-dressed bobbin lace pillow is a lovely sight to behold.

ship chair listed below, we would be delighted to let you try an easy pattern. Equipment is available for you to try your hand at lace making. Pillows, bobbins and beginner prickings are supplied. Once you have tried bobbin lace you will find yourself hooked.

Please don't be shy, we were all beginners once and we have a wealth of knowledge to impart.

Several members tat, crochet and knit, etc.

Inspiring new lacemakers is our second most favorite thing to do...

The first is making our own lace!

While bobbin lace is the predominant lace made in our guild...there are many types of lace. This is not a conclusive listing.

- Battenberg Lace
- Bobbin Lace
- Carrickmacross Lace
- Crocheted Lace
- Hairpin Lace
- Hardanger Lace
- Knitted Lace
- Knotted Lace
- Machine Lace
- Needlelace
- Netted Lace
- Tatted Lace
- Tenerife Lace
